Audited schedule of cost of investments impacting  
the Québec economy

**As at December 31, 2017**

February 15, 2018

**To the Shareholders of  
Capital régional et coopératif Desjardins**

We have audited the accompanying schedule of cost of investments impacting the Quebec economy (the schedule) of Capital régional et coopératif Desjardins as at December 31, 2017. The financial information has been prepared by management of Capital régional et coopératif Desjardins based on the dispositions of article 18 of the Regulation respecting development capital investment fund continuous disclosure.

**Management's responsibility for the schedule**

Management is responsible for the preparation of the schedule in accordance with the dispositions of article 18 of the Regulation respecting development capital investment fund continuous disclosure, and for such internal control as management determines is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

**Auditor's responsibility**

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial information is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to management's preparation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of management's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the schedule.
